

The City of Longview Sanitation Division will be adopting the new Simplified Collection program in the summer of 2014. This program will also simplify holiday collection. Whenever a holiday occurs, the trash and recycling will simply be collected the next day. For example, if a holiday occurred on a Thursday, collection would occur the following day (Friday). If a holiday occurred on a Wednesday, collection would be on Thursday and normal Thursday collection would be moved one day to Friday.

The new program is expected to start sometime this summer. The exact day is not known at this time, but Sanitation will be advertising it as soon as the day is certain. The last holiday under the current program will be Memorial Day. Collection will simply be skipped. All other holidays will fall under the new program.

Sanitation Holidays 2014

Monday, May 26 - No trash collection.

Thursday, November 27 - No trash/recycling collection. Thursday customers will be collected the next day (Friday)

Thursday, December 25 - No trash/recycling collection. Thursday customers will be collected the next day (Friday)

Thursday, January 1 - No trash/recycling collection. Thursday customers will be collected the next day (Friday)
